## Troubled Blood

**ROBERT GALBRAITH**

A breath-taking, labyrinthine epic, *Troubled Blood* is the fifth Cormoran Strike novel and the most gripping and satisfying yet.

### IN DETAIL

Private Detective Cormoran Strike is visiting his family in Cornwall when he is approached by a woman asking for help finding her mother, Margot Bamborough, who went missing in mysterious circumstances in 1974. Despite the slim chance of success, he is intrigued and takes it on; adding to the long list of cases that he and his partner in the agency, Robin Ellacott, are currently working on. And Robin herself is also juggling a messy divorce and unwanted male attention, as well as battling her own feelings about Strike. As Strike and Robin investigate Margot's disappearance, they come up against a fiendishly complex case with leads that include tarot cards, a psychopathic serial killer and witnesses who cannot all be trusted.
