Love Untold

Ruth Jones

In short

A heartwarming and compassionate novel of mothers, daughters and final chance.

Synopsis

Grace is about to turn 90. She doesn't want parties or presents or fuss. She just wants to heal the family rift that's been breaking her heart for decades. But to do that she must find her daughter Alys - the only person who can help to put things right. And when she finds her - if she does - she risks betraying granddaughter Elin, who is far less forgiving of the past. Meanwhile Grace's great-grand-daughter Beca is oblivious to all these worries, too busy navigating the highs and lows of teenage life and keeping secrets of her own. All families have their problems. And most of them get resolved. But Grace's problem is 30 years old. And she doesn't have time on her side. Is it too late for her to make peace? Or is reconciliation still within reach?
