The Heatwave

Kate Riordan

In short

A tense psychological drama that brilliantly evokes its South of France setting.

Synopsis

Sylvie hasn't been back to her crumbling French family home in years. Not since the death of her eldest daughter Elodie. Every corner of the old house feels haunted by memories of her – memories she has tried to forget. But as temperatures rise, and forest fires rage through the French countryside, a long-buried family secret is about to come to light. Because there's something Sylvie's been hiding about what really happened to Elodie that summer. And it could change everything.
